Introduction:

For this project, students will present information on ONE topic from textbook chapters 1, 2, 4, 6, 8, or 10. Students are free to choose any concept/topic that is covered in the textbook.

This assignment fulfills/Supports:

- Module Outcome: 1
- Course Outcomes: 1, 3
- General Education Competencies: 1, 2, 5

The Assignment:

For this Assignment, complete the following steps:

Step 1:

1. Choose **ONE** topic/concept from textbook chapters 1, 2, 4, 6, 8, or 10 that you are interested in.

Step 2:

1. Decide how you would like to present information on your chosen topic. Students must choose **ONE** the following options:
    1. Conference Poster
    2. "Pop-Up" Video
    3. Original Story
2. Detailed information about completing each project option can be found in the "Psychological Concept Projects" document attached above.

Citing Sources: You must use APA style to reference your source(s) at the end of your submission. For this assignment, you must include reference information for your textbook. Information on how to format reference information (including a reference generator) in APA style can be found on the Purdue Online Writing Lab website at https://owl.purdue.edu/owl/research_and_citation/apa_style/apa_formatting_and_style_guide/general_format.html (opens in a new window).

Grading criteria: For full points you must fully comply with each component of the Project Rubric (found in the "Psychological Concept Projects" document attached above)
