1. Comparison of Brown v. Board of Education of Topeka, 347 U.S. 483 With Roberts v. Boston, 59 Mass. (5 Cush.) 198 (1850)

OR

2. Compare the Enslavement of Africans in the USA with the Internment of Japanese American Citizens After World War

Your final paper of **7 ½ complete pages** (exclusive of pictures, charts, graphics, etc.) requires you to perform methodical research from several **textbooks** that will lead you to accurately compare/contrast two different cultural situations, noting how they are similar and how they are different. Your personal opinion or objection is not part of the discussion. There should be at least **2 -3 citations** on each page that document support for the ideas that you discuss. **Please do not encase your papers in plastic covers.**

Please use your copy of the APA – American Psychological Association guide to write your paper and be mindful of the penalty for plagiarism. If your paper is plagiarized you will earn a failure **and possibly a failure in the course** **Your paper may incorporate a maximum of 3 INTERNET references from .org or edu sites only.** If you need help with writing you are to go to the college's Writing Center, 1C18. Your essay should be structured as follows:

- (1) Title Page - The title page should contain the **title** of the paper, the student's name, the college name, the course title and section, and the professor's name. and date. Do not make up a title - use the title designated by the instructor.
- (2) Abstract Page (optional)
- (3) Body: This must be at least **seven and one half** full pages, using 12 pt. Times New Roman font, double-spaced and with 1" margins at top, bottom and sides. Do not enlarge the margins and spaces between topics to add length to your paper. Also, do not add pictures, graphs, outlines or the like to add length to your essay. A paper of this length must have **section headings** for each **category** of comparison. Instead of writing several pages on each group that you are comparing, you may wish to discuss the groups together around specific points of comparison. Parenthetical citations must be included within the body of the paper instead of footnotes/endnotes.

"Include a **page header** (also known as the **running head**) at the top of every page. To create a **page header/running head**, insert page numbers flush right. Then type the title of your paper in the header flush left using all capital letters. The **running head** is a shortened version of your paper's title and cannot exceed 50 characters including spacing and punctuation."

- (4) Bibliography: Author's last name, first initial. (Publication date). *Book title*. City/State of publication: Publishing company.

Example: Jones, R. (1969) *Social Work in Athens*. New York, N.: Scribner
