

Peer Review Paper Assignment (claim):

General topic of peer review paper is (*will be given in each class section*). The topic is the starting point for you to start searching the thousands of topics that fall under that umbrella main topic. Find a sub topic that is of interest to you or will influence your future plans or pursuits. Get professor approval on subject matter before starting your research.

My topic: Natural alternatives to genetically modified products.

Paper layout:

- 12-point type throughout the paper.
- Font style “Times New Roman”
- Double space: Your entire essay should be double spaced, with no single spacing anywhere and no extra spacing anywhere. There should not be extra spaces between paragraphs.
- One-inch (1” boarders) margin on the top, bottom, left, and right.
- Your last name and the page number should appear in the upper right corner of each page of your essay, including the first page, as in **Jones 3**. Insert your name and the page number as a "header." Do not type this information where the text of your essay should be.
- Your paper should include a title.
 - The title should be centered and should appear under the heading information on the cover page of your paper. The title should be in the same fonts as the rest of your essay, with no quotation marks, no underlining, no italics, and no bold.**
- Indentation:
 - The first line of each paragraph should be indented. According to the APA, this indentation should be 1/2 inch or five spaces, but pressing [Tab] once should give you the correct indentation.
- Align Left:
 - The text of your essay should be lined up evenly at the left margin but not at the right margin. In your word processor, choose "Align Left." Do not choose "Justify."
- Minimum of three (3) pages with content top to bottom and any photo's or images on separate pages,

not included in the three pages of content.

- Peer reviewed references sited in APA on separate sheet in the back of paper. Should have at least five (5) peer reviewed references. (can use google scholar to search)
- Make sure spelling and grammar is correct before handing paper in to professor.
