# GOOD GRADE ONLY, PLEASE!

---

"THERE IS NO SUBSTITUTE FOR HARD WORK." - THOMAS A. EDISON

Writing a paper requires a lot of hard work and determination. So here are the many reasons why I believe that I deserve NOTHING but a GOOD grade on this 3 page paper:

- *A LOT of hours researching information*
- *Very creditable sources were used*
- *Proof reading was done by several people*
- *Plenty hours of lost sleep, due to, inability to stop thinking about this masterpiece of a paper*
- *BECAUSE I AM AN AWESOME, HARD WORKING STUDENT WHO ONLY DESERVES GOOD GRADES*
- *You would not want me to suffer from post-traumatic stress from having a bad grade, after all of the hard work I put into this assignment*
