

Answer the following 2 prompts MLA format no specific word count.

1. **ONE:** Pick two of the videos and discuss them. Did you learn anything that perhaps has changed your life or way of seeing the world around you? What and why?
2. **TWO:** Share with the class your favorite artwork discovery. Next, share an artwork discovery from this semester that you greatly dislike. As you discuss and explain in detail why you have made your selections, answer the following questions: Do you believe that the appreciation of art is the same as the enjoyment of art? Is it possible to both appreciate a work of art and also greatly dislike it? Why? For an artwork to be considered good, must it always be something beautiful? Be detailed and specific with your ideas. You can find images of both art works to talk about for this prompt below.
