Prospectus

1. The neighborhood I've chosen is Hollywood.
2. What is hollywood made up of?
3. My explanation of Hollywood is where the nightlife of L.A comes alive. It is where the best restaurants, bars and clubs are located. A place to go out and have fun with friends.
4. I am going to go more into depth with the culture representations surrounding Hollywood.
5. I will By digging into the different restaurants, clubs and bars that are located in Hollywood. I will be going further into the nightlife of hollywood as well as the daily life. The different cultural elements that exist in the neighborhood and what race' it is mainly made up of.
6. I might look into the main race that is populated in the neighborhood, if it is filled with middle class, low class, or high class. Are their homeless people living there, etc.
7. I feel like I might head into a more of who is living their and who are the people that create the nightlife of los angeles.
