

# Rubric Detail

A rubric lists grading criteria that instructors use to evaluate student work. Your instructor linked a rubric to this item and made it available to you. Select **Grid View** or **List View** to change the rubric's layout.

Name: **NURS350-Summary (Abstract) of Study**

Description: **This rubric is used to evaluate the the abstract of a quantitative and qualitative research article in NURS350. The rubric is set up to score each research article (quantitative and qualitative) separately and provide one cumulative grade. For each research article, there are 6 categories to assess: type of research, research questions & hypothesis, sample, setting, findings, and mechanics.**
