

Reflection Essay Rubric: 15 Points

Comments:

Unity/Organization 5/5

Thesis at the end of the introduction should list the main points you plan to cover in order to address the four central areas of the reflection, as noted in the assignment guidelines.

Use topic sentences derived from the thesis list to guide the reader through the reflection.

Development 6/6

Development should proceed through topic sentences devoted to the four areas of critical reading, thinking, and writing, followed by writing assessments.

Minimum/Maximum word counts must be observed: 1,000-1,500 words

Three scholarly articles should be cited, or two scholarly articles and the short story.

Grammar 2/2

Avoid major grammatical errors and typos!

Run spell check and grammar check!

Documentation 2/2

Use MLA format overall

Use 8th edition MLA for all in-text and Works Cited entries.
