

Research Analysis 5

Due: ACADEMIC JOURNAL

This analysis MUST use an article from peer-reviewed / professional / academic journal.

You can find an appropriate article using the Shatford Library databases:

- Click on LIBRARY in the list on the left side of this page, then OPEN NEW TAB
- Scroll down slightly and click on DATABASES in the red band
- Select ACADEMIC SEARCH COMPLETE (EBSCOhost) from the list
- Log in
- Enter your search terms in the bars at the top of the screen
- Scroll down to SEARCH OPTIONS and LIMIT YOUR RESULTS
- Mark the bubbles for FULL TEXT and SCHOLARLY (PEER REVIEWED) JOURNALS
- Limit your search to articles published in the past 10 or so years
- Under DOCUMENT TYPE, select ARTICLES and/or CASE STUDIES. This will help weed out less-useful material.
- Do not use a book review, opinion piece, or note (similar to a "letter to the editor" in that it is short and generally not accompanied by a works cited list).
