10/2/19

Primary Sources

Music Video

Maldonado, Eric, director. *Parisstudio*. *YouTube*, YouTube, 21 Feb. 2013, www.youtube.com/watch?v=1Jm_d3ixzUg.

This music video is a representation of the type of salsa music that was popular. It shows us the beats and gives a hint of salsa music. Everything is incorporated such as beats and volumes.

Academic journal articles original present

Marisol Berríos, Miranda. “Salsa Music as Expressive Liberation, at the Cultural Crossroads of the 1970s’ by Marisol Berríos-Miranda.” *Médiathèque Caraïbe (Laméca)*, www.lameca.org/publications-numeriques/dossiers-et-articles/musique/salsa-music-as-expressive-liberation-at-the-cultural-crossroads-of-the-1970s/

This is an article from a journal with original information that was from 1970 and gives us information on salsa liberation and Salsa as a Movement of Social and Political Change. It shows us how salsa music affect those parts of the society.

Interview Video

Salsawithsilvia, director. *YouTube*. *YouTube*, YouTube, 8 Oct. 2018, www.youtube.com/watch?v=kuUY6oDVnRI.

Silvia gave us a short interview as she told us about the way salsa dancing is and how it is presented by the dancers. She is the dancer herself so she elaborates on how she uses her skills throughout the concert and applies it.

Secondary Sources

Newspaper Article

Bloom, Julie. "Salsa Spins Beyond Its Roots." *The New York Times*, The New York Times, 29 July 2007, www.nytimes.com/2007/07/29/arts/dance/29bloo.html.

This newspaper article published by Bloom shows us how salsa has been spinning worldwide in the years. It tells us the focus of salsa dancing. It has gotten bigger in the sense of people getting more involved and the article explains all the details. After reading the article, it shows us how important it is and people are extremely involved with salsa.

Book

Flores, Juan. *Salsa Rising: New York Latin Music of the Sixties Generation*. Oxford University Press, 2016.

This is a book that I will be renting from amazon, it is a book from the Oxford University. It's about a new generation of New York Latinos, went on to create the music called salsa, which continues to enjoy around the world. And now, is still incorporated in our lives.

Journal article

What is Bachata dance? How does Bachata history and music evolve? Bachata Articles May 3, et al. "All about Salsa Music - the Root of Salsa Dancing World." 1, 10 May 2019, 1minutesalsa.com/playlist/salsa-music-the-root-of-salsa-dancing-world/.

This is a journal article that is about the evolution of salsa music. It starts by showing the origins and evolving throughout the years. It also mentions instruments, directions and rhythms. It shows how salsa has been changing throughout the years and evolving within the years in our lives. Salsa plays a major role in history as well and this article shows us the origins of this music.
