

Sad Music Writing Assignment

1) Fill out the sad song list with at least 3 songs you believe are sad. each song have to respond to these question the title of song, artist, genera, and topic/story /themes (what is the song about_) (5 points)

2) Answer the following questions about YOURSELF (5 points):

a) Do you like or enjoy sad music? If so, why (what about it do you enjoy)? If not, why (what about it do you not like or enjoy?)

b) If you enjoy sad music, what are the times or situations where you would most want to listen to it (and why)? If you DO NOT enjoy sad music, what are the times or situations where you be MOST opposed to listening to it (and why)?

3) Find another person and ask them the following (5 points):

a) Do they have a favorite sad song? If so, what is it and why is it their favorite?

b) Is there a sad song that they particularly DO NOT like? If so, what is it and what do they not like about it?

4) Finally, based on what you have learned in class, as well as your own experiences and what you heard from another person, what do you believe are the pros and cons of listening to sad music (e.g., what are ways it may be good for you and ways it might be bad for you)? (5 points)

THIS ASSIGNMENT IS WORTH 20 POINTS.
