

Resume and Cover Letter Inbox x

Monica Rein-Botti
to me

May 5, 2021, 10:35 PM (4 days ago)

Hello Michael.

I received your updated resume and cover letter from one of my associates. I made some grammar and punctuation edits and attached is the approved resume and cover letter. I would suggest using Grammarly or some other program to assist you in your letters.

You will receive a separate email of the approval and that is what you will use for your class assignment.

Good luck with your studies.

Best,

Monica
