

Short Writing Assignment 3: Research Annotated Bibliography

Assignment instructions for COMS 363 L04, Spring 2021, Dr. A. Buckland

Overview

15% Short Writing Assignment

Due: June 2, 2021

In this assignment you will produce an annotated bibliography. The purpose of an annotated bibliography is to provide a relevant and accessible assessment of sources that you have chosen for the final group project. Choose five sources focused on elements web design and usability or other topics related to your final project. Create an appropriate APA style bibliographic entry followed by a 100-150 word analysis for each of the three sources. What are the main points presented in the research? Why is it relevant for your work? What are its weaknesses? These and any other questions that you feel are relevant for your work should be answered in these 100-150 passages. You must write these analyses in full sentences (no bullet points in the final copy) and grammar and writing style will be part of the assessment.

Preparation

Consult [this guide](#) for writing an annotated bibliography

Submission Requirements

The following elements are required for successful completion of this assignment:

- Five separate sources outside of the course texts
- Three annotations, which explain the source and its relevance
- Appropriate title page
