Who we are

RadioShack, the neighborhood electronics convenience store, is a leading national retailer of innovative personal and home technology products and services, and power supply needs. With over 200 employees in our new regional head office in Hawkins, the career possibilities are endless and we are looking for talented people to join our team!

This is where YOU come in

As a Merchandise Manager you will be part of our fast-paced Merchandising team that is responsible for the selection of products that you see in our RadioShack stores and in our monthly catalogue! You will manage a category of merchandise and oversee the strategy, planning and business performance. You will oversee the entire cycle of the merchandise from promotion management, assortment management, pricing, inventory, vendor management to space and visual presentation of the products. In this role, you will partner closely with internal stakeholders including marketing, inventory, and store design, as well as external vendors.

If you are ambitious and thrive in a fast-paced and dynamic environment, this is the perfect role for you to jumpstart your career with us!

What YOUR day to day will look like

- Work closely with the Merchandise leadership team on the longer-term strategic vision for your product category
- Manage key performance indicators of the category including sales, profit, market share
- Develop a strong understanding of the customer and market and incorporate that insight into business decisions
- Create the promotional and advertising strategy for your category
- Develop an assortment plan to maximize financial goals and opportunities
- Work closely with the inventory team to manage inventory requirements and overall inventory plan
- Develop and manage vendor relationships

Who YOU are

- You have 3 – 5 years of experience in a merchandising, retail buying, category management or inventory management role
- You have experience working within a retail or sales driven environment
- Your drive and business acumen shine through in everything you do!
- You thrive in a fast-paced and deadline driven environment

- You are a problem solver with the ability to see the big picture
- You are familiar with the latest technology and technological trends: IBM personal computers, cassette recorders, VCRs, video cameras, answering machines, mini-TVs, Atari 2600 Video Computer Systems, etc.
- You communicate effectively and build strong relationships with external and internal partners

To apply, mail (or drop off in person) your resume and cover letter to Hawkins RadioShack Head Office, 4437 Glenacre St, Hawkins, Indiana, Roane County, 46012. Please address the application to our hiring manager, Leslie French.
