

Study Guide : How Bauhaus Redefined What Design Could Do for Society

Description

Read the article provided titled *How Bauhaus Redefined What Design Could Do for Society*. On a separate page, please provide a typed, doubled spaced response to the following questions. Include your name, course number and section number on your paper. Answers to most questions should be several paragraphs long, not to exceed two pages total. This will be counted as part of your participation grade.

1. How did Bauhaus differ under the Leadership of Walter Gropius vs. Hannes Meyer? (use at least two quotes from the article that support your response)
2. How did the idea of "Design" shift during Bauhaus's history?
3. The Bauhaus provided temporary shelter to what three movements? (simply list the three)
4. In your own words, what was the Bauhaus? (use at least two quotes from the article that support your response)

Due Date

Wednesday, NOV 6th (Tuesday, NOV 7th for 150-06)
