EVALUATION REPORT – ATTEMPT 1 – REVISION NEEDED

Overall Evaluator Comments

EVALUATOR COMMENTS

You demonstrated a strong understanding of ways to improve communication and overcome personal, physical, and semantic barriers, noting appropriate use of technology, putting aside personal stereotypes, and avoiding jargon and slang. Please see the comments in the rubric below for details about aspects that require revision.

A.. Overcoming Communication Barriers

Not Evident The candidate provides a reasonable description of how guidelines, tools, or practices would be used to overcome 0–3 of the 4 communication barriers.

EVALUATOR COMMENTS: ATTEMPT 1

The discussion and suggestions to overcome personal, physical, and semantic barriers are appropriate. However, the recommendations to overcome process barriers are broad in scope, and the response does not identify the main issues behind this barrier. Please consider adding to the description of process barriers and how the suggestions relate and help overcome them.

B.. APA Sources

Competent The submission includes in-text citations and references for content that is quoted, paraphrased, or summarized and demonstrates a consistent application of APA style.

There are no comments for this aspect.

C.. Professional Communication

Competent Content reflects attention to detail, is organized, and focuses on the main ideas as prescribed in

the task or chosen by the candidate. Terminology is pertinent, is used correctly, and effectively conveys the intended meaning. Mechanics, usage, and grammar promote accurate interpretation and understanding.
