GCU Code of Conduct and Academic Standards

Insert 2-3 sentences here (optional) if you want to provide a quick intro for this paper. Otherwise, delete these sentences but leave the Level 1 heading above. Intro's are helpful in describing the purpose of the paper and stirring up interest in the reader for what is to come. This is a 4-paragraph essay, but you may end up with 5-6 paragraphs which will work well.

Academic Integrity Violations

Select and describe two academic integrity violations as found in the GCU Policy Handbook. Please paraphrase the academic violations (put into your own words) and then provide two specific examples of what these violations could look like in real life. Avoid using plagiarism as one of your violations since you will be including that in a different paragraph.

Code of Conduct Violations

Select and describe two code of conduct violations as found in the GCU Policy Handbook. Please paraphrase the violations (put into your own words) and then provide two specific examples of what these violations could look like in real life. GCU has prepared an *APA Style Guide* available in the Student Success Center and on the GCU Library's *Citing Sources in APA* guide (<https://libguides.gcu.edu/APA>) for help in correctly formatting according to APA Style.

Academic Dishonesty: Plagiarism

In this paragraph please respond to prompt number 2 in the directions. Explain in your own words what plagiarism is. Please consider all the different types of plagiarism that exists, and why this would be important to know. Remember paragraphs should be at least 3-5 sentences in length, and always use spell check before you submit your paper. Simply click on review above, and then click on the green check mark for "Spelling and Grammar."

Reasons Students Plagiarize

This paragraph should cover number 3 in the directions. You will consider reasons why a student may choose to plagiarize. Consider what factors would go into them making this choice. Why would they do this and what lasting impacts would it have on their academic journey?

Steps to Avoid Academic Dishonesty

In this paragraph (#4 in the directions) you will describe ways that individual students or students completing group work can avoid academic dishonesty. Consider best practices and think about what extra support GCU provides students to ensure they are remaining academically honest in all their endeavors. I look forward to reading your paper, and please reach out with any questions!
