About Me:

Always on the lookout to have fun, meet new masculine faces, and get pampered. In search of a serious handsome and energetic man who knows how to satisfy a woman in bed and kind enough to treat a woman with tender that she deserves. I am out for a financial stability with an environment that is stress-free and a gentleman who is not only understanding, but also respectful. I am free to mingle and I find the most fun in travelling, but I don't have time for a poor man.

My Expectations of First Date:

My scale is flexible as it can include a wide range of things, including a fun-packed picnic, or a sit-down dinner. I dislike big surprises and therefore please ask me before making up your mind on the kind of treat to give me.
