

You will:

- Introduce yourself: My name is Orly
- Tell where you are from (country, state, and city where you live): I live in Teaneck NJ
- Tell how old you are: I am 20 years old
- Tell where you go to school/college and describe it: I go to bergen community college.
- Talk about what you study: I am studying education.
- Say how many classes you are taking and which ones: I am taking 5 classes: Spanish, Intro to Bio, Inclusion and exceptional child, Educational psych, and Educational technology.
- Talk about your favorite class. You can make anything up for this question.
- Talk about your favorite part of college, your friends and professors (think hard about this one). You can make anything up for this question.
- Describe your major. I am majoring in education, I really enjoy all the classes and think they are so helpful for the future.
- Talk about and describe your immediate family and best friends. You can make anything up for this question.
- Say what your hobbies are, what you like to do, what you don't like, etc. I enjoy cooking, baking, shopping, playing with kids: and I don't like being bored!

- Talk about places where you like to go to, etc: I enjoy going and traveling anywhere with warm weather.
- Have an original ending to your presentation: You can make anything up for this question.
