

4-5 page paper on an interview with an elderly. Follow the outlines:

- a. Gather demographics: birth year, where, education, marital status, children, siblings, religions and so forth.
- b. Describe her/his life. How has life changed according to life events?
- c. What historical events changed his/her life?
- d. Personal life events? How have these events (for instance, having a child, retirement, employment, college, or marriage) changed how he/she lives?
- e. How has the person adapted to aging? Is it successful? Why?
- f. Discuss three issues we have learned about in this class and how these three issues are evident in the life of the elder you interviewed.

Follow the format:

Introductory & Conclusion paragraph

12-point type, Double space, 1 inch margin throughout

Times new Roman Font, 4-5 pages length
