

Choose one of the listed songs, or a song of your choosing. You may use folk songs from around the world, if you choose.

Choose a 'theme' based on that song and then collect----and list-----resources for that theme.

EXAMPLE: If you chose 'Twinkle Twinkle Little Star'---you would research it's origins; the varied forms of the song that can be found; look at the 'melody' and discuss that; is there a historically context you can connect that song to; connect it to books; poetry; science, etc

o Then choose at least THREE Poets/poetry, Dancers/dances, Choreographers, Painters, Sculptors, Architects, Photographers, Writers, Musicians

o Additional resources: Recordings, videos, maps, paintings, photographs, transparencies, PowerPoints, etc.

Collect these resources and present them-----via a powerpoint or slide show, etc----
