1. What does the artist want to express through the graffiti of the video? Give your opinion in a paragraph of at least 5 sentences.
2. What would the child say if he could talk? (What would the kid say if he could talk?) Give your opinion in a paragraph of at least 10 sentences.
3. Search for the image of a graffiti you like on the Internet or take a picture of a graffiti in Houston. Post the image in comments on this post and describe it. How is it titled? (If you don't have a title, invent one) What city are you in? Who is the artist? How is it? What topics is it about? Because you like it?
4. Read the publications of your classmates and express your opinion. Do you agree with the interpretations of your classmates? Write at least 5 sentences and you can't say: "because I like it" ... Be creative.
