Essay 1 - SafeAssign

Grade: 50 – There are numerous problems with your essay including an absence of scholarly constitutional sources in your examination of the *Lopez* case. More concerning, however, is the fact that your review of *Lopez* is wholly inaccurate. You write (as an example of your overall interpretation of the case: "In my view, the ruling was somewhat an increase in power, but for the good of citizens because the Supreme Court utilized the Commerce Clause as justification for the Gun-Free School Zone Act to be a constitutional rule." The Supreme Court in *Lopez* struck down the constitutionality of the Act and found that congressional regulation of guns in school zones were not permissible under the commerce clause.
