WALLACE: Two points on that. First of all, what the Federal government gives is only – is 8 percent.

TRUMP: Ten percent and you know what – that's a lot of money.

Reference 1: 1.10% coverage

WALLACE: Let's start with the surge of the coronavirus across the country in recent months. You still talk about it as, quote, "burning embers." But I want to put up a chart that shows where we are with the illness over the last four months. As you can see, we hit a peak here in April, 36,000 cases...

TRUMP: Cases.

WALLACE: ... a day.

TRUMP: Yes, cases.

WALLACE: Then -- then it went down and now since June, it has gone up more than double. One day this week 75,000 new cases. More than double...

Reference 2: 0.17% coverage

WALLACE: But -- but this isn't burning embers, sir? This is a forest fire.

Reference 3: 0.42% coverage

WALLACE: But, sir, we have the seventh highest mortality rate in the world. Our mortality rate is higher than Brazil, it's higher than Russia and the European Union has us on a travel ban.

Reference 4: 0.19% coverage

WALLACE: That's not true, sir. We, we, we have a -- we had 900 deaths on a single day...

Reference 5: 0.55% coverage
