

Drama: Staging Student Activity Sheet

Name

Date

Title

Author

- **Staging** is the act of putting on a play. It includes all the elements that bring a drama to life, such as scenery, props (movable objects like books and lamps), costumes, makeup, lighting, visual effects, music, sound effects, directing, and acting.

Directions: Use this chart to list the types of staging that are used in the book you are reading.

Act and/or Scene:
