John and his three friends are sitting are walking home together after school. Alex is scrolling through his phone as they walk, while Mary is holding her school bag to her chest.

“Hey guys, there is a musical concert in the park. Would you like to go and watch the band play?” Alex asked.

“I am done with my homework; I think I’d like to go” Mary said.

“That’s great. Let’s go” John said

“I missed last year’s concert, I can’t afford to miss this one” Alex said

“That is set; then let us meet at 7PM at the lower gate of the park” Alex added

“Hey, look at that sport car. Isn’t it cool” John shouts

“Sure, that is exactly the kind of car I would like to own in the future. I am sure it is fast. Mine would be yellow though” Alex said

“You can’t afford that car Alex. I bet it costs a fortune” John answered

“I will a good job and I will afford it. Anyway it is good to be optimistic” Alex said

“Talking about cars, why are there so many vehicles on the road today?” Mary asked

“People are probably going to the park for the concert. The band is famous, for playing good music, you know” John answered

“Yeah, it is. For the past two years I have never missed the show. I have always scheduled myself so that I could attend the concert every time the band was in town” Mary replied

“For how long has the band been playing in our park?” asked John

“I think it is now five years; and it has become a tradition” answered Alex.

Mary opens her bag and concentrates as if looking for something inside. John waves to a person cycling down the road as they near the junction where they have to part ways.

“Bye guys let us meet at Seven PM; I am sure it will fun. And don’t be late” Alex said

“John, Alex I will call you; see you then” Mary shouts as she turns up the road
