

The Feedback

Introduction: Fair

A simple introduction gives background information about the topic. It includes a thesis statement that answers the essay question but may be slightly confusing.

Body Paragraphs: Weak

Body paragraphs are underdeveloped or inadequate, and/or have serious problems with unity and coherence, and/or do not support the thesis. Source material is not cited correctly or is misunderstood.

Organization: Weak

The organization is unclear; transitions are misused or absent.

Conclusion: Fair

The conclusion is logical and connected to the theme of the composition, but may be simplistic.

Language Clarity: Excellent

A variety of sentence types are formed correctly. There are almost no grammar, vocabulary, and spelling mistakes.

Readings: Weak

Quotations and paraphrases are often incorrect. The writer does not successfully identify, discuss, and analyze relevant ideas in a text.

Works Cited: Very weak

The list of works cited is missing.

MLA format: Weak

The essay does not follow many of the MLA format guidelines.
