

Topic (Global Health)

HIV in the Caribbean- history and current state of epidemiology

HEA 225 RESEARCH PAPER Fall 2017

1. ANNOTATED BIBLIOGRAPHY*

- Find 3-4 sources that relate specifically to your topic.
- Use MLA or APA citation consistently.
- For each source, give 3-4 sentences about the credibility of the source and how you think it relates to your topic and/or interests you.
- Use #12 font, and 1.5 spacing for the annotation but the citation should be single spaced.

*one source must be on Paul Farmer findings/research (Aids Accusations)

* See the annotated bibliography instructions on Canvas as needed.

Example:

Waite, Linda J., Frances Kobrin Goldscheider, and Christina Witsberger. "Nonfamily Living and the Erosion of Traditional Family Orientations Among Young Adults." *American Sociological Review* 51.4 (1986): 541-554. Print.

The authors, researchers at the Rand Corporation and Brown University, use data from the National Longitudinal Surveys of Young Women and Young Men to test their hypothesis that nonfamily living by young adults alters their attitudes, values, plans, and expectations, moving them away from their belief in traditional sex roles.

2. SYNOPSIS

- Put your topic at the top of the page.
- **Write a 3 paragraph, maximum one page summary of the findings of your research. It should not be more than 500 words** .Use 1.5 spacing and #12 font.
- The summary should reflect the fact that you have read the articles and/or books you are using.
- It does not have to be organized in the way you will organize your final paper but it is helpful if you are thinking about the organization.

3. RESEARCH PAPER

Instructions

- Put your topic at the top of the page.
- Research papers present the information that you discover by research only. They do **not interpret** the information researched. In some cases critical analysis may be appropriate. Opinion and feelings are never appropriate
- Personal anecdotes are **never** appropriate.
- This is a **3-4 page paper**, and a bibliography of sources.
- The style is research paper reporting so does **not include** personal opinion or the use of the first or second person.
- **Each page** should be labeled with your name and the page number.
- Font should be strictly academic (Times, Calibri, Arial) and size 12.
- Line spacing should be 1.5

Research and Sources.

- Sources must be credible and academic.
- A source cannot use the second person “you” or “one”.
- If the source has a clear bias or agenda it must be stated in the Bibliography.
- Sources must be directly pertinent to the topic.
- Do **not** include background reading as a source.
- Never include Wikipedia or like sources.
- All sources **MUST** be cited in the paper.
- Citations and Bibliography can be in any format as long as it is consistent through the paper.
- **All statements of facts** must have a source citation.
