Suh, Yonghee, and Brian J. Daugherty. "Oral History as Inquiry." *The History Teacher* 51, no. 4 (2018): 697-709.

Yonghee and Daugherty have focused on understanding the previous events in the civil rights movement in Virginia. Similarly, the events are essential in developing appropriate knowledge for the students, although the civil rights movement did not attain all its objectives. Nevertheless, the social scheme of lawfully authorized exclusion because second-class citizenship was upheld. The civil rights program was radical in altering Virginia in the 20th century and the civil war in the 19th century.

Integrated quotation:

“In terms of civil rights movement, this entails the stories about school desegregation together with those concerning public businesses together with facilities, housing, voting rights at the same time other concerns of this era.”¹

Paraphrase:

The use of previous oral history on the civil rights movement is essential in educating students concerning the past liberation events. Therefore, the civil rights movement banned discrimination comprising bus station waiting rooms and restrooms utilized by interstate bus

lines. For instance, five institutions integrated proceedings comprising of court's decision on Brown v. Board.

Levy, Peter B. *The Civil Rights Movement: A Reference Guide*. ABC-CLIO, 2019.

Levy uses a chronological of events to explain how the civil rights movement happened in Virginia and America. Therefore, the events began in 1857 when Dred Scott v. Sandford decision was provided. Therefore, the foundation of civil rights began and continued to expand during the emancipation proclamation was implemented and the passage of the civil rights act by congress. Nevertheless, immense segregation continued to happen to African Americans because they were used as slavery before. Nevertheless, although racial segregation is still prevalent, people have more rights due to the civil rights movement.

integrated quotation:

"While Truman's committee was preparing its report, the Congress of Racial Equality (CORE) staged a journey in several upper South states. Like the better-known freedom rides of the 1960s, which CORE also organized the journey of Reconciliation sought to desegregate public facilities and raise public awareness of the racial problem in America."²

Paraphrase:

The increased fight for civil rights has caused immense support in giving people their freedom to their land. The apprehension concerning the dangers of lynchings in the South was
