

Application 2.2: Stanford Prison Experiment

WARNING: This 29 minute excerpt contains profanity and brief nudity, as well as scenes depicting humiliation and abuse. If these things are disturbing, uncomfortable, or offensive to you, please feel welcome to leave the room and come back in 30 minutes for the discussion.

As You Watch: • Note examples of the Hawthorne Effect • Identify ethical concerns associated with the Milgram and Stanford Experiments

Write down: • Write alternative actions that could have corrected for ethical concerns
