

Homework #2- Due next
week!

1.) Who is your favorite poet?

This could also be a lyricist.

2.) What is the predominant focus of his/her text?

3.) Are there similarities in modern poetry/lyrics to the work of ancient poets such as Sappho?

This assignment applies to the ancient Greek poet section of our class, specifically the poetess Sappho. Read in the PowerPoint about Sappho, then follow the prompts. Tell me about your favorite poet, song writer or rapper. Tell me a little about them and what they write/sing/rap about primarily. Then Google some poems by Sappho and tell me how they are different or similar. 3-4 paragraphs.
