

INTRODUCTION (1 page)		Begin the chapter by reiterating what you presented in Ch.1 regarding the following.	
Briefly reiterate the description of the problem of practice, rationale, underlying causes and research questions. Summarize what you presented in Ch. 1 but do not copy and paste word for word.	Your research problem of practice (problem statement)	A brief rationale for the problem of practice (purpose statement).	A brief discussion of the underlying causes of the problem of practice.
	Your identified research question(s)	The organization of the chapter	
	LITERATURE REVIEW METHODOLOGY (1 paragraph)		
	Briefly describe the strategies you used to search the literature. List the names of the search engines and databases you used (ERIC, EBSCO, etc.) and types of sources you used (peer reviewed journals, textbooks, websites, personal communications, etc.)		
	SUBHEADINGS SPECIFIC TO YOUR RESEARCH that describes related review of research and literature as follows
