Lavender republic is one of the smallest countries globally situated in the Northern hemisphere.

The Mediterranean borders it to the South and Atlantic Ocean to the west.

The country usually experiences both temperate and polar climatic conditions.

The country's topography comprises large mountains around its border, and the central part is comparatively flat. Lavender republic is made of highlands, lowlands, highlands, and the Andes mountain range.

Lavender republic is made of three main cities, Azure, Sapphire, and Beryl.

Azure

Azure is the country's capital city. The city is well known for its diverse architecture, festivals, nightlife, modern arts, and very high quality of living.

Since 2010 the city has experienced an advent of a multicultural entrepreneurial scene.

Most importantly, the city hosts one of the highest densities of scientific research institutions in the lavender republic and can also be described as one of the most incredible cities globally.

Sapphire

Sapphire is situated just at the geographical core of the lavender on an undulating highland of sand and clay.

The city is well known for its historic buildings, food markets, and monarchs. It's also known for its revitalization and modern art museums, sunny blue skies, exclusive neighborhoods, and busy nightlife.

Beryl.

Beryl is popularly known as the city of culture due to numerous creative industries.

The tremendous cultural organizations enjoy a global reputation as they represent the different legacy of the city. Most young people, both international artists and cultural entrepreneurs continue to settle in the town..

The city is a pleasant mix of western Russian and European architecture thus is one of the most beautiful towns globally.

The city is regularly calm and easy-going, just as a physical museum city.

Government structure

Lavender republic has a form of regime where the citizens exercise the supreme authority through electing and voting representatives to govern and make decisions on their behalf.

It is a centralized form of government.

All the Administrative county's lie at the primary place, the parliament. The president is the head of the state. The country is divided into five counties each led by the governor.

Economy

Production is increasingly specialized, with firms concentrating on specific tasks that take advantage of outsourced intermediate inputs.

Specialized individuals work in diversified area, which includes:

Agriculture, fishing, forestry industry

Construction

Trade, which includes accommodation, transport; ¹and food service activities; information and communication

¹Financial and insurance; comprising scientific, trained, technical; managerial, and support service activities

Public administration is a defense; social security; health and social work ,education, arts, recreation and entertainment.

Culture

The social classes in the lavender republic are divided into the working class, the intermediate class, and the privileged class.

English is the most spoken language, with German being the second, followed by French, Italian, and Spanish.

The most common art is Contemporary Art comprising various styles comprising Modern, Abstract, Impressionism, and Pop Art.

The tradition is embedded in its art, construction, movie, types of music, economics, philosophy, and literature.

The main religion in Lavender is Christianity; nonetheless, practical secularization and irreligion are increasingly becoming more rampant.
