Helen Mcswain Scholarship Program

C/O Clayton State University

2000 Clayton State Blvd, Morrow

GA 30260, United States

Dear sir/madam

I am delighted to learn that I'm one of the recipients of the Helen Mcswain Scholarship. I am writing to thank you for your kind financial aid towards my university education. Your input is vital to realizing my goal of graduating with a Major in Psychology and Human Services.

I treasure the opportunities that living in the United States has accorded my family and me. Upon successfully graduating from high school, I decided that I will study Psychology and Human Services. Once I graduate, I intend to seek employment to continue giving back to the community by supporting vulnerable groups. Since Academic success is important not only to me but to my family, too, I will work hard to ensure that I graduate from Clayton State University with top honors.

For most of my school time, I have worked part-time to support myself while also contributing to the support of my siblings. This scholarship will allow me to reduce my working schedule in a week to get a higher grade at Clayton State University. By awarding me the Mcswain Scholarship, I will be able to focus all my energy on performing well in class. Your kindness will allow me to realize my dreams.

Once more, thank you very much for the scholarship. I hope to assist other needy students, as you had assisted me when I was in financial need.

Sincerely,

Whitney Harris
